Sub: State Energy Accounting (SEA) Meeting conducted in the month of FEB –2010– Proceeding.

The SEA meeting held for the month of FEB-2010 held at NSPCL, Bhilai, CSPTCL on 06th March 2010 (Saturday)

Item No. 1 Confirmation of the January-2010 month SEA accounts. **The no comments have been received on the SEA accounts of the January-2010 month.**

The other agenda points as discussed are also circulated.

Item No. 2. Scheduling: SLDC pointed out that the GENCO and customers injecting power in the grid of more than 1 MW has to submit its schedule to SLDC as per the Grid code.

- a. It is mandatory as per the MYT of CSERC for the accounting of GENCO and the same could be commenced at the earliest.
- b. Schedules are to be send regularly. The files can be send through the following paths
- c. Path a. Through URJA NET /Temporary/ Csptcl/ CELD/ Schedules.
- d. Path b. Through Inter NET – schedules@sldccg.gov.in

SLDC requested that the LTOA Customers/ OAC should obtain Confirmation from SLDC control room may be obtained their schedules are received at SLDC in time.

Subject line for the Message sent by the LTOA customers shall be in the format **DC_GENID_DDMMYYYY_REV NO.**

The same is illustrated: For KEB050: DC_KEB050_06032010_0.

For NSPCL: DC_ NSPCL _07032010_0.

For NSPCL: DC_ NSPCL _07032010_1.

....

The Gen Staion ID for the GENCO are **KEB050, KEB120, KWB210, KEE250 & BHEP** for Korba East power project- 50 MW & 120 MW, Korba West power project-210 MW, Korba East Extn power project-250 MW & Bango Hydel Electric Power Project respectively. Similarly SLDC requested that the GEN stations may get the gen ID from SLDC for scheduling.

NSPCL pointed out that the revised schedules are sometimes received late from the SLDC control room. SLDC, CSPTCL requested NSPCL to bring out the occasions and obtain the schedules as per the Grid Code provisions.

STATE LOAD DESPATCH CENTRE, BHILAI – 24

(Successor Co. of CSEB)
PHONE: 0788 – 2282635, 2282633, (CONTROL ROOM), FAX - : 0788 - 2282632

Ref: CGLD /ABTSEA / MAR2010 /MOM/ 3647

Date 09.03.2010

Item No. 3. Meter readings: The grid substation meters MRI files are to be sent to SLDC through email, ftp (CSEB inet) or online metering arrangement on weekly basis and preferably by every MONDAY.

The files can be send through the following paths

- a. Path a. Through URJA NET /Temporary/Csptcl/CELD/Concerned MTR/SSD.
- b. Path b. Through Inter NET – meterreadings@sldccg.gov.in

Subject line for the Message sent by the MRT/SDD/OAC shall be in theformat **MRD_SSD/MRTDn_OAC_MTRNO_FROMDATE_TODATE**.

The same is illustrated:

For OAC Jagdamba Power in MRT Dn RPR-1

MRD_MRTRPR1_JPAL_APM99702_26122009_04012010

For OAC Vaswani Industries in MRT Dn RPR-2

MRD_MRTRPR2_VIL_APM84513_01012010_15012010.

The concerned MRT Dn/ SSD and the LTOA may obtain the OAC ID from SLDC for sending the correct file.

SLDC directed NSCPL to depute their meter manufacturer/ supplier engineer to SLDC, CSPTCL on to most priority in order to get the error/fault in meter files rectified.

Item No. 4. Energy Accounts: SLDC informed that The SEA are generally issued by 2nd of the prospective month. The details of the SEA accounts are made available on the SLDC web site sldccg.gov.in

Genco and the OAC are requested to go through their accounts and arrange the certified copy mailed back to SLDC prior to the SEA meeting.

Item No. 5. UI Accounts: All the OAC / Pool members are requested to submit their deposits slip details and the other instruments as made by them in the bank directly. It is a mandatory requirement for SLDC. CSPTCL for the settlements of the UI accounts.

Item No. 6. Shutdowns: Representatives from the GENCO pointed out that they are not getting their shutdowns cleared in time. SLDC, CSPTCL informed them that the shutdowns activities should be planned in such a manner and procedure as followed at regional level.

Item No. 7. Backing Down/ revisions in schedules during the peak hours: The Open access customer representative from Monnet Raipur &

Date 09.03.2010

Raigarh raised the matter of obtaining the certification for the Backing Down/ revisions in schedules during the peak hours. SLDC informed the OAC that the certificates for the backing down / revisions in the schedules are taken care by SLDC for the customers whom the scheduling is done by SLDC. So far there has been no peak hour's schedules received from the OAC/ or the DISCOM. Further, SLDC clarified that the backing down has to be carried out by the generators connected to the grid if required for the grid security.
